

BRUSHING CLEANING SPC-200 FOR FLOCKED FABRICS

Reference: RF0072

FOR FLOCKED FABRICS WITH THE NEW
ANTISTATIC BRUSHES
OUR NEWEST APPLICATIONS FOR FINISHING
FLOCKED FABRIC INVOLVE OUR NEW
CONDUCTIVE BRUSHES

Special design of this machine, together with the use of special conductive nylon brushes makes the SPC-4 unique on its field.

Excellent on flocked fabrics but also on any kind of sintetic material where the traditional brushes can not reach any result.
